Stewardship: A Way of Life

30th Sunday in Ordinary Time

"You shall love the Lord, your God, with all your heart, with all your soul and with all your mind."

Matthew 22:37

Do you put other "gods" before God? Is your love of money, power, status, comfort or some personal possession greater than your love for God? Do you really recognize that everything you have and that everything you are is a gift from God? The good news - it's not too late to put God first in all things in your life.

WORD OF LIFE: "The Gospel of Life is at the *heart* of Jesus' saving message to the world. Through the Incarnation and birth of Christ, God reveals to us the dignity of all human life. Human life, as a gift of God, is sacred and inviolable. … Not only must human life not be taken, but it must be protected with loving concern."

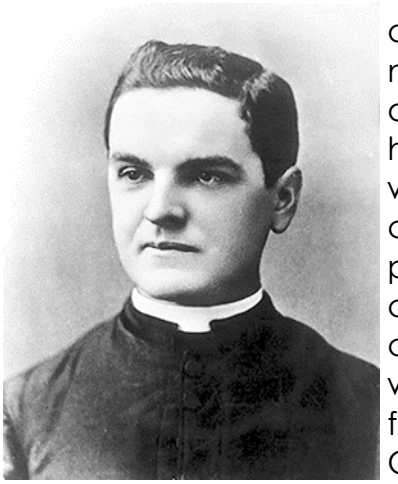
Church News

Knights of Columbus Founder to be Beatified



Father Michael J. McGivney (1852 – 1890) was a parish Priest at St. Mary Church in New Haven, Connecticut. St. Mary was a poor parish that included many Irish immigrant families. Irish Catholics faced discrimination at that time because they were immigrants and because of their Catholic faith. As a result, many of the men were poor and unemployed and, when they died, the families they left behind were often destitute. Father McGivney sought to address the needs of these men and, in 1882, formed the Knights of Columbus, an organization committed to the principles of charity, unity and fraternity, while supporting the faith and financial viability of its members and their families. From its earliest days, the organization made the case that one could be both a good Catholic and a true American citizen, pushing back against the religious discrimination that was all too common. It grew into an organization whose members supported one another with help, hope and faith while also contributing to their parishes, communities, countries, and the world. To assist its families, Knights of Columbus formed an insurance program, paying out it first claim in 1885.

Today, the Knights of Columbus is the world's largest fraternal benefit organization, consisting of about 16,000 councils and 2.0 million members throughout the United States, Canada, the Philippines, Mexico, Poland, the Dominican Republic, Puerto Rico, Panama, the Bahamas, the Virgin Islands, Cuba, Guatemala, Guam, Saipan, Lithuania, Ukraine, and South Korea. Its charitable activities extend from parish activities to the world at large and include programs such as Coats for Kids, Ultrasound machines and other Pro-Life support, Disaster Relief, Christian

Refugee Relief as well as partnerships with Special Olympics, Global Wheelchair Mission and Habitat for Humanity. Knights donate approximately $200 million and 75 million manhours annually to charitable causes. Knights of Columbus Insurance is among the highest rated insurance companies and has over $100 billion of life insurance in force and over $24 billion of assets under management.

In March 2008, Pope Benedict XVI recognized Fr. McGivney as a Venerable Servant of God for his heroic virtue, spirituality and holiness. In May 2020, Pope Francis officially recognized a miracle attributed to the intercession of Father McGivney. As a result of the pope's approval, Fr. McGivney to be beatified on October 31st and declared Blessed. A second confirmed miracle through the intercession of Father McGivney is needed for canonization and sainthood.
The Mass of Beatification will be televised on EWTN at 10 am CDT on Saturday, October 31st.
