Stewardship: A Way of Life

11th Sunday of Ordinary Time

“As you go, make this proclamation: ‘The kingdom of heaven is at hand.’”

Matthew 10:7

Many of us take our lives for granted. We think we have plenty of time to “repent.” Maybe we should live with a little more urgency in making things right with God. This is the difference in living our discipleship out of obligation versus out of love. Obligation implies we do the minimum required. Love implies we want a relationship. God wants us to be with Him in Heaven forever, but He also wants to be in relationship with us right now, while we are on earth. Start this second - invite the Lord into your heart.

WORD OF LIFE: “Through our prayers and through the intercession of St. Joseph, patron of fathers, may fathers come to know the *irreplaceable* role they hold in the lives of their children, and the responsibility they share in welcoming God’s gift of new life!”

Most Rev. Shelton J. Fabre, Bishop of Houma-Thibodaux

ST. MICHAEL PARISH IN NIGERIA: From Msgr. Kevin Akagha and St. Michael Parish in Nigeria, sister parish to St. Joseph-Edgerton:

Before I conclude this letter, I would like to thank you and your parishioners for all the assistance you have been giving us. All the monies

you send reach us safely. The latest was the \$2,480 you sent in February. We acknowledge receipt of this money with immense thanks and gratitude. These monies are used primarily for the maintenance of the church building, the rectory and other structures in the parish compound. Since last year, we have been fighting erosion that is trying to cut the church off from the rectory and even threatening the foundation of the rectory. The church building is on a higher ground than the rectory. When it rains the water runs down from the church grounds to the rectory area. My priestly Golden Jubilee was in December last year. As part of our preparation for that celebration, the church building was painted in and out. Part of the money you sent us went into these maintenance projects.

ST. JOSEPH FAMILY FAITH FORMATION: This past year, 5 families opted for the new Family Faith Formation program at St. Joseph. Instead of a weekly child only meeting, Family Faith Formation is a monthly class where both parents and children attend. A typical class for this group includes a group prayer and breakout sessions for the parents and the children, fellowship, and group discussion.

The children would either discuss an activity in their workbooks or do something else related to current church happenings. Parents would sometimes view a short video or have discussions or talk about an upcoming activity/topic in the kid's workbook. The rest of the month, parents are responsible for completing activities and discussions from the workbooks as directed by the Family Faith Formation group leader for their individual family.

Some benefits of FFF included a more flexible schedule for faith learning, beneficial adult discussions about faith topics and parenting, multi

-age children gathering together to learn from each other about Christ, a chance to get to know other families in our parish/group, and a tighter formed fellowship amongst group members.

LIVE STREAM MASS AT ST. JOSEPH: With the reduction of weekend masses at St. Joseph to only Sunday, we will discontinue livestreaming the Mass. However, Holy Mother of Consolation in Oregon will livestream their Masses. You can go to Youtube and search for our channel at "HMCLiturgicalMinistry" or go to their website: <https://holymotherchurch.weconnect.com/>. Links to HMC's livestream will also be posted on our Facebook page.

We apologize for the change but unless someone comes forward and volunteers to set up and run the equipment, this service will come to an end after the June 24th Mass. Please contact Laura in the office if you are interested.

A Note from Our Pastor ...

- ✚ Today and next week we will share our bulletin with St. Pius X Parish in Cambridge. I hope members of all three parishes benefit from the information shared.
- ✚ Even though our Eucharistic procession at St. Joseph was done indoors due to rain, it went very well. Thank you, all servers, musicians, Knights of Columbus, and staff who helped! Today, June 18, we have switched Mass times at SM and SJ, so that we can have an outdoor procession at SM. We will go to the Gathering Green, pray a short prayer, and return. Let us focus on the Eucharist and not get distracted by cars and pedestrians; however, let us be open to answering any of their questions. Please carry your missalettes for songs and for the text on the inside back cover. We learned last weekend that it adds 30 minutes to the Mass.
- ✚ Please view the 15-minute video made under the direction of Bishop Hying about the Eucharist: daretobelieveseries.com
- ✚ For the past year I have been serving on the advisory committee for the Madison-Jacmel (Haiti) Sister Diocese Relationship. Members of both dioceses have been praying for each other, and in the coming months we will conduct a voluntary collection for them. Since the assassination of their president two years ago, Haiti has been a very difficult place to live, with high homicide rate, poverty, cholera incidence, and food prices. Our help to them has focused on a diocesan radio station and a medical clinic. Please read the Catholic Herald article coming in two weeks and visit: <https://madisondiocese.org/jacmel>.
- ✚ SJ and SM now have several members who have completed training for healing prayer, and I thank Michael Seyfert for his role in their formation. We look forward to offering opportunities to receive prayer after 4:00, 8:30, and 10:30 Masses next weekend.
