Merciful Father, hear our prayer
and console us. As we renew our
faith in Your Son, whom You
raised from the dead, strengthen
our hope that all our departed
brothers and sisters will share in
His resurrection. Eternal rest grant
unto them, O Lord, and may the
perpetual light shine upon them.

Amen

You may have noticed some work being done in the hallway ceiling. As part of our 5 churches joining into one Pastorate, all phone and data systems at each location needs to be upgraded. New phones will be installed and the WiFi signal will be stronger and more reliable in the entire building, especially the classrooms and Parish Hall.

This upgrade required pulling new cable throughout the building and into the classrooms. In the process of accessing the wiring above the ceiling, we discovered a significant amount of the tiles are disintegrating, loose and unstable. With the age and condition of the tiles, the number of tiles needing replacement and the difficulty in finding the same tile, the decision was made to install a new 2 x 2 grid ceiling. To save money, we are removing the existing tiles ourselves. We are planning this work for Monday, November 6 and Tuesday, November 7. With the majority of the removal work being done those days, the office and church will be closed.

The new ceiling will be installed starting November 14. If you would like to help with the removal of the current ceiling tiles, please contact Laura in the office, 608-884-3038.
